### Kia Ora Koutou

The final Deep Cove camp for 2017 is now underway. We are excited for the children and adults attending the camp - it is an amazing experience.

Speaking of amazing things happening, our push for PB4L's, Respect, Care and Self Management is gaining momentum - the children (and staff) are choosing different areas to focus on and recently chose our immediate environment. The children and staff, out of respect for their environment, are making a conscious effort to keep, bays, classrooms, playground, staffroom.. ..... really tidy.

Congratulations to our first winner of the Paper Plus gift voucher - Martayn Knippers. This was kindly donated by Jane Hoskins through LJ Hooker Ltd.

And our lucky ticket winners to have a treat with Mrs Radka: Rocco McDonnell, Brody Cornish, Emily Templeton, Nico Williams, Ethan Svensson and Mason West.

Watch out for your reports being delivered home. The School Management System, Assembly, has been changed to Linc Ed, and hence the need to change our report. Our new (trial) format looks pretty special and will be followed up with parent/caregiver/pupil/teacher interviews for all pupils.

Obviously we can't record everything (in writing) so this is an opportunity to meet with your teacher and discuss the progress your child is making and ask for further clarification or detail where necessary.

Remember too, that these interviews are not the only way you can talk to your child's teacher. At any time you can ring and set up a meeting either with (or without) your child.

To keep people new to the school informed, it pays to catch up regularly with staff or check in at the office if you need greater detail of things happening.

Room 4 for instance is, as expected, filling up so a number of children will be taking their next big step and going to either Room 5 or Room 6, Mrs Campbell and Mrs Allan. This is an exciting time for the children but it could also be a little nerve wracking so talk to your child about the exciting new things for them.

Out of interest we don't generally move children from R5 and R6 during the year. Judy and Megan deliberately start with low numbers and then begin to fill up as R4 grows.

Finally congratulations to Earl Mathew Tumabini and his family, and Suman McIntosh, who have become New Zealand Citizens. Exciting news and a special next step. Well done.

Noho ora mai ra.

Apples delivered to the two winning entries from our Board of Trustees survey. Thank you to everyone who took part.

A massive "THANK YOU" to everybody who helped to make the Rippa Rugby Canteen such a huge success on the 8 June! It was great to have time slots filled, and have people coming to offer help on the day. Thank you to our Bakers who whipped up popular treats, that sold very quickly. There were lots of happy children! If you helped on the Canteen/BBQ, or baked for the event, your help and support was much appreciated. Thank you. :-)

Please be aware that activities advertised in this newsletter have not been assessed by The Terrace School board of trustees. The board advises parents to make their own enquiries to determine whether the activities follow best practice and/or are suitable for their children.

Luck be to any who venture down to Central Otago District Libraries these school holidays. Seek your fortune and delve into exploration with Central Otago District Libraries "Gold Fever".

Explorers should get ready to follow the paths once journeyed by the Otago gold miners in the 1860s in the 'Gold Fever' Board Game.  
See the real gold left behind from the 1860s Gold Rush.  
Test your luck and fortune with 'Otago Gold Rush Bingo'.  
Get creative and craft some colourful Rainbow Twirlers, and even construct your own Marble Drop Mineshaft.

Spots are limited, so book today! Contact your local library to find out more.
