Kia Ora Koutou

All the best to our Cross Country runners who are attending the Central Otago Cross Country in Arrowtown on Thursday.

And also 'Good Luck' too to our Kapa Haka performers who are attending the Murihiku Polyfest in Invercargill today.

Both groups have really worked hard to prepare. Although the disciplines are quite different the children have one thing in common - satisfaction from success through effort: ma te kaha ka u: For the week leading up to both the Polyfest and the CO Cross Country these children have given up lunch breaks (and out of school time) to prepare. We wish you well.

The school is receiving reports that children have been diagnosed with Conjunctivitis. Even without confirmation it is worth advising that any discharge, irritation and redness of eyes should be taken seriously and seek medical advice.

Your GP can confirm and your child should not attend school while there is discharge.

Including reading, writing and maths, the children are also involved in studies of our 'elections', persuasive writing, wearable recycled art, summarising texts, ukelele, Kitchen Kaos - science, Music with Liz, Keeping Ourselves Safe, Firewise and so much more.

And as our term races on we are already looking forward to Athletics which is about to start soon and activities around Alexandra's Blossom Festival.

80 Families to go!

A really urgent reminder so please follow up: we need each family to send in their response about being able to access the internet. Come on, just 80 families left to respond.

Finally, this Friday is the Cancer Society's Daffodil Day. This charity is really special for our school. Children are invited to bring a gold coin donation and join in the activities that are part of our way to show we care.

Reusable Coffee Cups - Made in New Zealand

The Terrace School PTA has decided to sell reusable coffee cups as a fundraiser.

Every day, tens of thousands of takeaway cups are thrown in the rubbish, ending up in landfill. One takeaway coffee a day creates 10 kilograms of waste a year!

A reusable coffee cup is a truly environmentally, friendly alternative to the disposable takeaway cup.

The cups we have chosen to sell are made in NZ, 100% BPA free, recyclable and Barista-friendly, fitting perfectly under the espresso machine.

By purchasing a reusable coffee cup you're doing your bit to help the environment and reduce the number of disposable takeaway cups going to landfill.

To order you need to choose the colour of your cup and lid (shown on attached sheet).

Please complete the form and return it to the school office with your money. Orders will be open for three weeks.

We think the cups would make great Christmas gifts at only \$15 each. Or take the order form along to your work if you want. In some cafes, a takeaway coffee costs less if you have a reusable cup.

There will be a **prize for the family that sells the most cups**. If you want to see what the cups are like contact Victoria on 027 257 3070

We would LOVE your help.

We have THREE fundraising opportunities coming up which we hope you will be able to support us to follow up some ideas our ambassadors have.

QUIZ NIGHT

The first is a QUIZ NIGHT at Monteiths on Thursday August 17 from 7pm. Tickets are \$10 each and we are aiming for 10 teams of six. We would love your support by forming a team and coming along to support us. Under 18s are welcome if accompanied by a parent or guardian.

MOTO X MARSHALS

The second is Marshalling at the Central Otago Moto X Fun Day at Omakau this Sunday (August 6). This is all day but is a low stress role that should be fun if you rug up warm and bring a deckchair. Marshals need to be aged 14 or over and will make sure none of the riders are lost ☺

If you can help with either of these chances to raise money for our group or if you have any questions, please either drop us a message on Facebook or email sticksnstonesnz@gmail.com

Keep up to date with what Sticks 'n Stones are doing by Liking our FB Page, www.facebook.com/onlinesticks

Support our work by buying a BAG or BALL

We have great cotton reusable bags available for sale for \$4 each or 3 for \$10

We also have a small number of GAMECHANGER Rugby Balls left.

These are \$30 each and are high quality balls produced by Leslie Rugby.

If you are interested in supporting us with buying a bag or a ball, please get in touch.

Thank you for your support and for being part of changing attitudes and behaviours around bullying.
